

Planting the seeds for a successful future

Learning Enrichment at Cedars Manor

Trips Overview 2025 - 2026

Intent

At Cedars Manor School we are passionate about providing our pupils with a range of enrichment opportunities to further support their learning across the curriculum. Throughout the school year, pupils will attend a range of experiences both in school and outside of school.

In order to keep the cost to parents as low as possible, where appropriate, trips that take place outside of school will make use of TfL's travel scheme and pupils will walk to trips which are within a reasonable distance to the school, (no more than 30 minutes.)

Each academic year there will be at least six enrichment opportunities for each year group:

- In school FREE (e.g. free workshop)
- In school FREE (practical activities using the school grounds)
- In school PAID (e.g. a workshop in the hall)
- Outside of school, local; FREE (walking or using the TfL scheme)
- Outside of school, local; FREE (Exploring the local community - walking)
- Outside of school, PAID (walking / using the TfL scheme / Transport needed)

Developing Cultural Capital at CMS

Be Safe	Be Responsible	Be Resilient	Be Respectful	Be Ready
Social	Moral	Spiritual	Cultural	Careers
Be Courageous when engaging in new experiences				
<i>Every pupil will know:</i> 1. How to keep themselves safe 2. How to keep themselves healthy 3. How to make the right choices 4. How to participate, co-operate and resolve conflicts 5. Their personal strengths and areas to develop	<i>Every pupil will know:</i> 1. The importance of contributing 2. How to express their personal views 3. Where they fit into their community 4. How they can support each other 5. How to abide by British Values	<i>Every pupil will know:</i> 1. Fascination and enjoyment at being outdoors 2. Respect for nature 3.
