

Cedars Manor School

Spanish Curriculum Overview

This is the curriculum overview for 2023 -2024. The school has not taught Spanish before. Many topics will be repeated across the curriculum as pupils have no previous exposure to Spanish. As pupils are given the maximum opportunity to progress, these units will change and develop for the next 3 years. After that, Spanish will be taught following a progressive curriculum across the school.

| Year | Autumn | Spring | Summer |
|-----------|--|---|------------------------------------|
