# Parents & carers are a child's most important adult

What do you want your child to achieve with their reading this year?

@learnwparents

[www.learningwithparents.com](http://www.learningwithparents.com)

# Why your support is important

- We want to encourage a **love of reading** and want to see you reading all sorts of things, not just your school book
- Reading for 5 minutes, 3 times a week means your child will have read for an **extra hour a month!**
- By making reading aloud a regular part of your family's routine, you're not just helping your children with their learning – you're
  - **building memories**
  - **finding out more about each other**
  - **instilling a love of reading that will last a lifetime!**

# Teacher feedback

- Easily see feedback from teachers and any stickers given to your child

A screenshot of a notification from the Learning with Parents app. At the top, it shows a penguin icon, the name 'Aisha Ahmed', and the text 'read **Thomas the Tank Engine** and finished the book.' Below this, it says 'Wrens - For Wednesday 07 August' with an information icon and 'Sharing permitted' with a checkmark icon. The notification is set against a light blue background with a pattern of small white stars and dots. There are three main sections: 1. A white comment box with the text 'Aisha loves reading along to Thomas'. 2. A white reply box from 'Ms Teacher' that says 'Great job Aisha, you can tell me all about what happened to Thomas tomorrow!'. 3. A white sticker box from 'Ms Teacher' that says 'sent you a sticker' and contains a circular sticker with a cartoon mouse wearing a red cap and a blue shirt, with the text 'Learning with Parents Super!' around it.
